

FIRST[®] Green e-watt saver

FIRST[®] Green e-watt saver light bulbs are the newest energy-saving LED technology:

- Omni-directional and dimmable
- 18 Watts — 82% more efficient than comparable 100W incandescent bulbs
- 25,000 hour average operating life (over 33 times longer than conventional lighting)
- 2700K soft white color temperature
- Contains no mercury
- 10-year warranty (www.creebulb.com/Home/Warranty)

What is FIRST[®]?

FIRST[®] is a not-for-profit public charity that designs fun, motivational programs to help young people aged 6-18 discover and develop a passion for science, technology, engineering, and math through challenging robotics competitions. More than 367,000 young people participate, and Mentors and Volunteers fill over 150,000 roles, in approximately 80 countries annually.

FIRST students qualify for \$20 million in college scholarships, with all competitions culminating at the annual FIRST Championship.

Supported through the generosity of over 3,500 corporations and organizations worldwide and individuals LIKE YOU! THANK YOU!
